

BED BUG HEAT TREATMENTS

In recent years there has been a dramatic increase in bed bug infestations in Oklahoma.

Homes, apartments, hotels, and schools are just some of the places these insects have been found.

Heat treatments are the most effective and efficient way of getting rid of these pests.

We offer competitive prices and multi-room discounts to residential dwellings and businesses.

Reclaim your home or business
from **UNWANTED PESTS!**

THE PEST THREAT

Whether you are dealing with spiders, bed bugs, termites, fleas, or rodents, pests are constantly looking for a supply of food, water, and a place to multiply. Unfortunately, your home or business can provide an excellent place for this to occur. If left unchecked pests can become a serious threat to your health and finances. Consider:

- **Poisonous** (Black Widows, Brown Recluses)
- **Unsanitary** (Roach and Mice droppings)
- **Spread Disease** (Roaches, Mice, Rats, Fleas)
- **Damage Structures** (Termites, Carpenter Ants, Rodents)
- **Allergic Reactions** (Spiders, Ants, Bed Bugs, Bees, Wasps)
- **Pet Health** (Mosquitos, Fleas)

SAFE AND EFFECTIVE TREATMENT

Hansen Pest Control will safely help you reclaim your home or business. Your safety is our priority. With interior treatments every effort is made to only use products that are people and pet friendly. Why eliminate the threat of pests only to expose your or your loved ones to toxic chemicals?

Pest identification and product choice are vital in effective pest management. You should feel confident that you are spending your time and money wisely. We will go the extra mile by only using the most effective products and latest techniques that target your specific pest problem.

OUR GUARANTEE

Our guarantee is inspired by the Golden Rule. We believe customer care is more than just addressing your concerns after the fact. It is how we greet you, inspect your home, provide service, honor our warranties, and absolutely guarantee that you are satisfied.

If at any point you are not satisfied with our services we promise to take immediate steps to make it right so that you are happy with the final outcome. It is our goal to become your trusted pest control provider for years to come.
