MAKING YOUR RESERVATION

As soon as you
have plans to
leave town, please

contact our office to secure your reservation. We request 48 hours advance notice to give us time to schedule accordingly. Scheduling fees may apply for reservations with less than 48 hours notice.

Please remember travel dates that include holidays are our busiest times, so plan ahead to ensure we are able to care for your pet.

BEFORE YOU LEAVE HOME

Within 48 hours before you leave you will receive a confirmation call from our office about the care for your pet. If this has not occurred, please call the office before you travel.

Never leave town without this important confirmation to ensure your schedule was communicated and understood correctly!

WHILE YOU ARE AWAY

Your sitter will visit your home to exercise, feed, provide fresh water, scoop litter boxes, cleanup any messes and provide love and care for your pet.

Additionally, we will bring in the mail/paper/pack ages, alternate lights and blinds, water plants, and give your home that lived in look. Visits are at least 30 minutes in duration.

PET CARE INSTRUCTIONS AND SUPPLIES

Before you leave town, we will email an instruction form for you to leave out for your sitter. Please use the form to provide any new information about caring for your pet, provide a contact number where you can be reached and confirm your return date and time.

Leaving out adequate supplies allows us to spend more time with your pet and less time looking for what we may need. Below is a list of basic items:

mind to know that
your pet is safely back
in your care.

GRATUITIES FOR YOUR PET SITTER

Tips for your pet sitters are not expected but are greatly appreciated!

If you wish to recognize your sitter for outstanding service, we suggest you leave a separate gratuity for your sitter with a note letting him/her know that it is for them. If you include a tip with your final payment, your tip will be noted to the sitter and included in their next paycheck (with taxes deducted).

PAYMENT FOR SERVICES

A 50% deposit is required for services that exceed \$200. Final payment is due immediately upon completion of services.

For traveling customers, you can leave payment before your trip, mail a check to our office after your trip, or pay by credit card. An invoice will be emailed to you shortly after you return home.
