(Inspectors travel statewide to inspect properties and offer many services. Please contact individual inspectors for details. Not every ASHI member in this market may be included on this list.)

(#'s) Numbers in parentheses are the Alaska State HomeInspector License number of the inspector.

**Associates** Designation of those who have not yet met the requirements for top level status, however: Associates may be highly experienced inspectors who have recently joined ASHI, or they may be novice inspectors who have completed training or otherwise entered the profession. Most Associates are currently working their way toward ASHI Certified Inspector status.

**ICC** Indicates that inspector is also licensed to perform International Construction Code (ICC) new construction phased inspections.
