

COMPLIMENTARY 100 DAY INSPECTION COVERAGE

Don't worry.
The inspection is covered
for 100 days.*

Free 100 day coverage is included with every inspection ordered. This is not a warranty or an insurance policy, but a coverage if an issue would arise after the buyer moves in.

We are fully insured with General Liability and Professional Indemnity (Errors & Omissions) Coverage.

Please call or check our website for pricing: www.affordablehomeinspect.net

If you are not completely satisfied at the end of the inspection, you do not have to pay.

My Promise To You!

Unlike most professionals you work with, you probably will not get to meet me until after you hire me. One thing for sure is that a home inspection requires work, a lot of work. Ultimately a thorough inspection depends heavily on the individual inspector's own effort.

I will do the best job I can for you. My only goal is to provide you with a clear, realistic understanding of the home you are buying.

I would be honored to be an important part of your successful home buying experience.
