

A Company You Can Trust

I'm Bob Tunzi of **Tunzi & Sons Landscaping**. We have been serving the area with creative landscaping and maintenance services since 1989. Our mission at **Tunzi & Sons** is to provide total satisfaction to all our clients. From initial concept and computer-generated design to completed site installation and ongoing maintenance, we execute every task neatly, efficiently, and with a minimum of disruption to our customers or their properties.

Your property is a major investment. Whether you are interested in professional weekly lawn maintenance or renovating your front and/or back yard with a new, updated appearance, such as a patio or walkway, new shrubs and flowers, **Tunzi and Sons Landscaping** will work with you. Improving the exterior environment of your home or business will not only enhance its beauty but its value for many years to come.

During the winter months proper snow and ice management services is an absolute necessity. For reliable and trusted service, call us for a consultation. We maintain our own fleet of heavy equipment to battle the worst winter storms.
