Do It Yourself

Planning is the key to an immaculate lawn.

Barefoot-soft grass doesn't just happen by itself. It takes a lot of forethought, preparation and follow-through to have a lush, green lawn. This is the time of the year to plan for the results you want next Spring.

Southern Exposure Landscape Management has the expertise to make your yard behave like never before. Just give us a call or visit us on-line to schedule your Fall aeration. And if you like, we can provide you with a custom program for both your lawn and landscape.

Timing is everything, so trust your lawn to the professionals at Southern Exposure Landscape Management. You'll be glad you did.
