DESIGN & INSTALLATION

Seasonal Chores creates and maintains landscapes that our clients love coming home to. With our comprehensive line of design/build and maintenance services, we can transform your property as well.

From the smallest to the largest jobs, we start with the basics of good design: combining function with form, and beauty with utility. We are experts at bringing together the ideas that will best meet your goals for your landscape.

Voted Edina's Best Lawn
and Garden Service
Readers Choice Award 2012
