are warmth coupled with Victorian charm and liberally seasoned with casual, yet elegant creature comforts. Enjoy the endless sea breezes that whisper through the expansive rooms. Lounge in inviting porch rockers on the large wraparound veranda or in the glistening glass enclosed sun porch.

In addition to the expected pleasures of sand and surf, enjoy historic house and museum tours, gardens, Cape May Point State Park, bird watching, bicycling, horseback riding, antiques, fishing, shopping, tennis and nearby golf.

The Inn takes pride in offering a Full, Hot and beautifully presented Breakfast each and every day.

BREAKFAST IS SERVED in the Dining room and Living Room around two impressive antique tables, each of which is capable of accommodating up to 10 guests. Enjoy breakfast at one seating, 9:00 a.m. each day, while enjoying the company of fellow visitors to the Humphrey Hughes House.

IN THE WARM WEATHER we serve breakfast at ten "tables for two" on our very large veranda from which you can observe the passersby and the Ocean, one short block down the street.

SELF-SERVICE COFFEE AND TEA can be obtained from our sun porch 24 hours a day. Also provided are homemade cookies & fudge along with pretzels and mixes for making hot chocolate, iced tea and lemonade.
